Dear General Reichhelderfer:

I very much appreciate your kind letter
of 22 June thanking us for our cooperation
in the work of the Army Security Agency.

My colleagues and I have all found it
a real pleasure and satisfaction to work
with you and your personnel and feel that
great benefit has derived from the close
relationship between us.

It is with genuine regret that we see
you depart but we all join in wishing you
every success for the future.

Sincerely,
